

Chant the Light: A Half-Day Retreat

Join Elizabeth Combs and Susan Latimer
to Chant the Light
Saturday January 22, 2022
11 am - 2 pm ET; 8 - 11 AM PT USA
via Zoom

Chanting is an integral aspect of our transformative wisdom path, having the capacity to open us deeply and immediately into our own inner light and the One Light.

In this participatory mini-retreat, the season of Epiphany and expanding Light will guide us. We will chant *a lot*, enjoying wisdom chants both familiar and new.

All voices welcome and encouraged. Absolutely no experience necessary.
