

LAW OF SEVEN GROUP EXPLORATION

Join us for an exploration of the Law of Seven, the Law of World Maintenance or Process. Explore the inner lines of the Enneagram and the ways they inform processes in time, decision making and daily interactions. Building on a Law of Three foundation, we will explore the Law of Seven as a tool of understanding PROCESS and INTEGRATION.

WHEN: Once a month; Friday mornings: February 3, March 3 and April 14 9:30-12:00pm ET

WHERE: ZOOM (link sent at registration)

COST: \$150, some scholarship available (\$100 for those who took the LO7 class last year)

Together we will deepen our engagement of the movements and connections embedded in this Law of Seven/Enneagram system, allowing the lines of action of the symbol itself to inform us.

Weaving together tools of Wisdom with the map of the Enneagram, we will experience some of the treasures this Law of World Maintenance offers us for transformation and discernment.

Facilitators: Jeanine Siler Jones & Marcella Kraybill-Greggo & both long time Spiritual Directors, therapists, Wisdom Seekers, and explorers of Law Of 3 and Law Of 7.
