**NEW OFFERING:**

A 10 week Lectio Divina invitation on the Gospel of Thomas on Fridays **September 13 – November 22, 2024 from 3pm – 4:15pm ET (12:00pm-1:15pm PT)**

There will be no Gospel of Thomas lectio on the following date: 10/11

**TIME: 3pm – 4:15pm ET (12:00pm-1:15pm PT)**

**DESCRIPTION:** We will do 15 minutes of centering each gathering and then one hour of Lectio Divina on a Logion from the Gospel of Thomas. Together we will pray/read this *living text* and allow it to “read” us in turn ... engendering the alchemy of transformation. This is achieved by engaging this text through all three of our centers of knowing, that is: heart, head and movement/sensation.

***If you cannot make every week, come for whatever works for you!***

***Mark your calendars!***

**LEADER:** Thomas Amsberry served decades as a Pastoral Associate in church ministry and recently has become certified as an Organic Intelligence Coach. He especially enjoys opening up the wisdom paths of transformation within the small group setting. If you so thirst ... please come!
